## Vocabulary Knowledge Rating Organizer

**Instructions:** Indicate your familiarity with each term by circling the appropriate number. Add the numbers together to get a vocabulary knowledge rating. Assess your progress by comparing your initial rating with your end-of-unit rating.

Term	I've never seen or heard of this term.	I've seen or heard of this term, but I don't know what it means.	I know this term, but I can't fully explain it or give an example of it.	I can explain this term in my own words, use it in context, and give an example if appropriate.
